Exceptional after-sales service that provides peace of mind.

Eligible for provincial and federal subsidies.

After-sales services

Warranties and subsidies that provide peace of mind

With Stelpro, not only will you get the assurance of first-rate quality, but you'll also rest easy knowing our products are guaranteed for years to come. You can even opt for an additional warranty that covers labor in addition to the parts already included! What's more, all our heat pumps are eligible for government subsidies. An unbeatable choice!

After-sales services that's second to none

Our dedicated service and support teams are always ready to answer your questions and meet your needs. Feel free to contact them anytime.
